SEMI-DECENT (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In actual fact, serial killing can be learned; it isn't necessarily done compulsively by lunatics. Paul Rushmore's body looks like someone beat it to death with a ball-peen hammer and then cut away a piece of his scalp. But the medical examiner says the damage was done by somebody's fists. The body is the only hard evidence that Detective Artie Murdoch of the Reno Police Department has to go on. With nowhere else to look, he brings Mack Chapman, a hand-to-hand combat expert, into the case as a consultant. He knows the martial arts culture and most of the community in the Reno Area. Perhaps he can see what others can't and shed light. By all accounts, Rushmore was an excellent fighter on his feet as well as on the ground. But he was also arrogant and cruel. His every action and spoken word seemed calculated to offend. And he carried his hubris into the business world where he owned a chain of karate schools in Nevada and California. He was known for stirring up animosity among his competitors and had made enemies. Though the evidence is scarce, it tells its story. Mack reasons that someone had challenged Paul to a duel of empty hands, a duel to the death. As the investigation continues, more and more data indicates that the killer is a disciplined professional who may be setting up another fight. Add to that other scalped and mutilated bodies on record in Las Vegas and Sacramento, Mack concludes they're looking for a serial killer. When a second brutalized body shows up, Mack and Detective Murdoch look closely to determine if it's the work of their...
