Grace-Everett Press, 2015. Paperback. Condition: New. 2nd Revised ed.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. There are guidebooks to set a parent's expectations for pregnancy and caring for a baby, but not one step-by-step guide for the challenge of raising a child with ADHD. Until now. The contrast between expectations and genuine capability is stark but invisible with ADHD, creating challenges every moment in all aspects of life. In *What to Expect When Parenting Children with ADHD*, Williams offers a 9-step plan to tame (much of) the chaos and turn (most of) the struggles into triumphs. She steers you through methodically learning about your child's behaviors, strengths, and weaknesses, and how to use that knowledge to improve life for your child with ADHD and your entire family. Don't be fooled though -- this is not your typical book on ADHD. Williams keeps it real, providing authentic, down-in-the-trenches, trial-by-fire advice from a momma who has lived it, figuring it out one day at a time. Whether your child's diagnosis is new or you've been struggling for years, *What to Expect* is your instruction manual for effectively parenting your child with ADHD.
