Bailey Blue Heron Publishing, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Many of us experience the tension between our job culture and the daily practice of our faith. The workplace environment focuses on getting the work done and respecting the beliefs of others such that we can often be uncomfortable sharing our faith and offering the love of Christ to our co-workers. You could say that in addition to job training, the workplace often trains us to keep our faith to ourselves. This book began as a brief presentation to encourage Christians to engage their work as a form of worship-doing everything heartily as unto the Lord. The message hit home with many of the attendees: it s about retraining ourselves to practice our faith when at work. If Christ is the context for our whole lives, isn t life about being and practicing who we really are in Christ, even when at work? How do we respect others, obey the rules and embrace that of Christ within us while on the job? How do we take an attitude of worship to our work? How do we clarify our standards in Christ, and then set boundaries to maintain those standards? Sometimes a book will help. Sometimes we need someone to come along side us and offer assistance. Always we need Christ as our Savior and the Holy Spirit as our Teacher. May this book be a help on your journey.
