BEASTS OF LEGEND: BEASTS OF THE EAST (5E) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Unleashed in the East! Beasts of the East reaches into the mythological and folkloric wellsprings across Asia to bring you an octet of amazing opponents. Whether your heroes are traveling on an epic transcontinental journey into Eastern lands or running a campaign already set in fantastic realms inspired by the Orient, Beasts of the East draws deeply upon the Asian legendarium to bring you creatures not just from the familiar stories of China and Japan, but ranges more broadly into the lore of Cambodia, Vietnam, and Tibet to bring you fantastic foes for your campaign. These creatively constructed creatures comprise a delightfully novel resource for GMs looking to expand their monster toolkit for exploring Asian adventures or just adding a bit of Asian spice to a traditional Western campaign, with great companion products like Road to Destiny and The Baleful Coven, as well as upcoming adventures and accessories like Under Frozen Stars, The Way of Ki, and Meditations of the Imperial Mystics! The Beasts of Legend series from Legendary Games are not your usual bare-bones bestiaries, but bring you richly detailed and evocatively described monsters drawing upon the myths and legends of the real world with a double dose of fantastic flair. The Coldwood Codex, Boreal Bestiary, and Construct Codex already have received lavish praise for its quality and inventiveness, and Beasts of the East follows proudly in their footsteps, with more marvelous monsters to come in future installments. Grab this 28-page 5E monster supplement today and Make Your Game Legendary!
