Xlibris, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.According to Prospero's philosophy in *The Tempest*, human life is a wakeful dreaming between two periods of endless sleep. During our history, dreams were thought to be of divine origin, messages from the gods and goddesses, deities of all religions were embraced. Dream interpretations were perceived as warnings or prophecies sent for the dreamers' guidance. In *Eternal Romance*, author Faith Aleksandar presents a shocking, sad, happy tale of dreams that come true. His book combines helpful advice columns and haunting love poems that stir the reader's imagination about a person who has gone through a lot in life and in love while at the same time sees everything in his dream. It tells the story of a boy who is gifted with extrasensory perception while going through a difficult phase in life from his school days until his adulthood. He got his gift since 13 years old and started to have dreams about seeing heartbreaks before it actually happens.
