Digireads.com, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This collection of Greek Tragedy is a representative selection of some of the greatest works from the classical period. Aeschylus Agamemnon is the first play in the Oresteia trilogy. The work regards the homecoming of its titular character, where his wife, Clytemnestra, has been planning his murder. Sophocles Oedipus Rex is the first play in the Oedipus trilogy. It details the king's quest for retribution for the murder of the last king, whose killer has yet to be brought to justice. Euripides Medea is probably the author's most famous work. It is the tale of a wife's vengeance against her husband for leaving her. Aristophanes The Frogs, is the lone comedy of the group. It is the story of the god Dionysus, who travels to Hades to bring the playwright Euripides back from the dead. Lastly we have Aristotle's Poetics, the world's first treatise on dramatic theory. This collection provides an introduction to the most significant Greek authors from classical antiquity. Their influence on literature cannot be understated as it would lay the foundation for all modern drama.
