Brand New Book ***** Print on Demand *****.Includes 2 Free Bonus Books Every once in a while it can become very difficult for us to trust the medical industry when we find ourselves in any kind of medicinal distress. Because of the unsavory ways people within the medical and pharmaceutical industry, it can be extremely difficult for us to get answers when we need them and solutions to problems rather than temporary fixes. If you have a hard time trusting the medical industry, you are definitely not alone. All of us have a hard time at some point in our lives, especially once we realize that being said is profitable to certain types of people. And these people are the ones in charge of helping us when we need it the most. Too many times we find ourselves challenged by illnesses and bad health. Because of the way that the world works, many of the foods that we are actually toxic to us and can cause major problems in our bodies. If we are not able to address these problems and work toward positive solutions rather than temporary solutions that can end up causing more issues with their side effects, then we may end up finding ourselves with too many chemicals in the body and not feeling very happy to be guinea pigs of experimental medicines that are just out to make the people in the pharmaceutical industry a lot of money.
