Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Our works, and we, are the crystallization of the questions we ask. The core question we used to create this book was "What would a book that would solve people s money problems, and help them make their lives far more fun, and pleasant, look like?" Books, ideas, and information showed up, often from unexpected sources, and in unexpected places. We found that asking questions focused our awareness, so we noticed far more useful information. What is your core question about money? Why not form that, right now, so you get as much as possible out of this book, other information flowing in, and your life? If you don t have such a question at hand, why not start with a question like "How do I take my next step, on my path in my life, which is growing ever more abundant, fun, and satisfying?" This kind of question- what we call a Quantum Power Question- opens up awareness, and guides one on the path. The key to succeeding with money is asking new questions, being open to the answers, finding new perspectives, using what one learns to transform oneself, and entering effortless abundance. This book is intended to assist the reader in this process. In Feng Shui, an intent is set, as the core of whatever aligning activity is being done. This puts all the other activity in focus, and aligns it. Let s set some intent here. What is your intent in reading this book? What level of income do you seek to be making, each year? What level of ease, in life, do you seek? We recommend you write your intent down....
