Robert Pease Evolved Publishing presents the third book in the Noah Zarc science fiction series for kids 8-13 years old. If youre looking for an out-of-this-world, action-packed adventure, and love such books as Percy Jackson, The Software, Artemis Fowl, or The Search for Wondla, then the Noah Zarc series needs to be your next thrill ride. Middle-Grade Science Fiction As battles rage across the solar system, Noah must work to join together a rag-tag bunch of miners, farmers, and scientists who would rather just live in peace. With only a time-traveling ship full of animals and a general from the history books, the Zarc family has to stand against the full might of the Poligarchy. Will the truth about what really happened a thousand years in the past be enough to stop total war, or will Noah and his friends need to find another way to bring down a dictator What Critics Are Saying: Peases strength as a storyteller lies in his ability to connect multiple time periods imaginatively, as well as Noahs excited, fast-paced narration. - Publishers Weekly This item ships from multiple locations.
