In our review, the maximum number of deficiencies was eight. Source: GAO sample of 530 DSS investigations. As shown in figure 3, we found problems primarily in six of nine areas required to be investigated for a security clearance by the federal 6 standards. Frequently, DSS did not obtain one or more of the following types of information: confirmation of residency; corroboration of birth or citizenship for a foreign-born subject, spouse, or family member; verification of employment; interviews of character references; check of 6 For our analysis, we grouped interviews with former spouses with other character references.
