Createspace, United States, 2011. Paperback. Book Condition: New. Khairul Hisham (illustrator). 272 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.It s a collaborative storytelling adventure for kids. It s a great pick up game for adults. The land of Skcos is inhabited by all manner of things, but primarily its inhabitants belong to a race of ever changing, always interesting creatures called Soppets. Soppets are a magical breed of intelligent, funny, thrill seeking socks. Yes, you read that correctly, Socks. Argyle Crew is a free wheeling system powered by imagination. Rather than a character sheet like a traditional RPG, your character and it s attributes are all based on a sock puppet, or in Skcos lingo, a Soppet. Each Soppet has several unique qualities which allow it to do extraordinary things! Argyle Crew is great game for children as young as 4 years old. Short scenarios and active participation keep things lively! Useful as a learning tool not just for gaming, but for life lessons, Argyle Crew can easily be used in a classroom setting. Professionals working on counseling children can find this game equally useful for indirectly or directly exploring past experiences and future anxieties. Use the additional rules for older children or adults and expand the game from a fun, play driven activity to a fully developed RPG, using the One-Shot RPG system.
