

Guitar Essentials - Level 1: A Progressive and Thorough Approach for the Evolving Beginner (Paperback)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).
(Lorenz Vandervort)

GUITAR ESSENTIALS - LEVEL 1: A PROGRESSIVE AND THOROUGH APPROACH FOR THE EVOLVING BEGINNER (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Guitar Essentials Series is a progressive study that introduces the student to a Guitar-centric curriculum that will keep them engaged and advancing. The Series places special emphasis on the fundamental principles of music making while consistently expanding the student's understanding and technique. Core Curriculum includes: - Introduction to the instrument - Basic and functional understanding of the musical language - Foundations of solid technique - Ear Training fundamentals - Sight reading in musical notation - Chord vocabulary - Chordal accompaniment in notation and chart form - Musical form and melodic phrases - Major and minor scales With careful guidance and attention to detail the materials provided in this book will build a solid foundation for the new student. There is a considerable amount of carefully chosen material within these pages that will provide for a rewarding program of study at this level. To the teacher: Playing along with the student is an essential part of the learning process so we encourage you to include that element at the earliest stages. This supportive approach will greatly enhance musical understanding while reinforcing the essential elements of music in a fun and real way. Our goal as teachers is to always strive to make music, no matter how simple. We realize that no single book can provide all that is necessary to learn an instrument and the musical language so we encourage the use of supplemental materials including other books in The Guitar Essentials Series as well as our website at myguitarpal.com.
