Discursive Ideologies: Reading Western Rhetoric (Paperback)

By C. H. Knoblauch

Utah State University Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. In *Discursive Ideologies*, C. H. Knoblauch argues that European rhetorical theory comprises several distinct and fundamentally opposed traditions of discourse. Writing accessibly for the upper division student, Knoblauch resists the conventional narrative of a unified Western rhetorical tradition. He identifies deep ideological and epistemological differences that exist among strands of Western thought and that are based in divergent grounds of meaningfulness. These conflicts underlie and influence current discourse about vital public issues. Knoblauch considers six stories about the meaning of meaning in an attempt to answer the question, what encourages us to believe that language acts are meaningful? Six distinctive ideologies of Western rhetoric emerge: magical rhetoric, ontological rhetoric, objectivist rhetoric, expressivist rhetoric, sociological rhetoric, and deconstructive rhetoric. He explores the nature of language and the important role these rhetorics play in the discourses that matter most to people, such as religion, education, public policy, science, law, and history.

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.

-- Dr. Reta Murphy

It becomes an amazing pdf which i actually have at any time read through. This can be for all those who statte there had not been a worthy of reading through. You wont sense monotony at anytime of your own time (that's what catalogues are for relating to should you check with me).

-- Claud Kris
