Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Worshiped for over three-fifths of recorded history, ancient Egypt's Gods and Goddesses are among the most fascinating of human civilization. The lives of pharaohs and commoners alike were dominated by the need to honor, worship, and pacify the huge pantheon of deities. From lavish tomb paintings and imposing temple reliefs to humble household shrines, countless tributes throughout Egypt reflect the richness and complexity of their mythology. This book examines the Egyptian gods and goddesses - from minor household figures such as Bes and Taweret to the all-powerful deities Amun and Rethat made Egypt the most completely theocratic society of the ancient world, and made Egyptians, according to Herodotus, more religious than any other people. Ancient Egypt has held humanity in its thrall for over 5000 years. The image of the Great Pyramids of the Valley of the Kings rising ghostlike from the white sands of the Sahara Desert is synonymous with the mysteries of the Ancient World. Ancient Egypt was remarkably advanced, especially considering its origins date back 30 centuries before the Common Era. From clocks to the 12-month calendar to agriculture and fashion, we continue to experience the echoes of Ancient Egypt in the world we live in today.
