Berkley Publishing Group. Paperback / softback. Book Condition: new. BRAND NEW, Homeport, Nora Roberts, The Maine air is bitterly cold when Dr. Miranda Jones arrives at the family home after a busy lecture tour. But her blood turns to ice when she suddenly feels the knife against her throat. The unseen assailant steals her bags, slashes her tires, and disappears. Deeply shaken, Miranda is determined to put the experience behind her. Distraction comes when she is summoned to Italy - to verify the authenticity of a Renaissance bronze of a Medici courtesan known as The Dark Lady. But instead of cementing Miranda's position as the leading expert in the field, the job nearly destroys it when her professional judgment is called into question. Emotionally estranged from her mother, with a brother immersed in his own troubles, Miranda has no one to turn to, except Ryan Boldari, a seductive art thief whose own agenda forces them into a reluctant alliance. Now it becomes clear that the incident in Maine was not a simple mugging - and that The Dark Lady may possess as many secrets as its beautiful namesake once did. For Miranda, forced to rely on herself - and a partner who offers her both unnerving suspicion and intoxicating passion - the only way home is filled with deception, treachery, and a danger that threatens them all.
