VAMPIRE STORM (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It was upon a mighty river s crescent where the last remaining remnants of Witchkind struggled for supremacy of their future. But before any wars could be fought, these witches first needed to survive the convergence of two massive storms, each holding ramifications of their own. One storm had been swirling across the warm coastal waters of their newly founded land, building strength as it did, one of fierce wind and deepening water - while the other had been following a great river southwards, tracing its course in search of his own identity, a storm of regenerating flesh and self-binding bones, and one with the ability to drag the fates of all the future along whichever path he chose. So as a swamp fills with water, three witches shall begin their silent battle for control of this new power, and thus the future. But not all of them will be able to escape this Vampire Storm with their lives.
