AIR POLLUTION DEVELOPMENT AT WHAT COST?

Daya Publishing House, 2003. Hardcover. Book Condition: New. India is making rapid advances in terms of economic development to meet our requirements. This is in turn responsible for mitigating poverty and elevating living standards but also caused alarming pollution. Development at all front including industry is must for the society, however, it is mandatory that the human race is not a danger at the price of long strides of development. Now it is high time that we pay due attention...

Reviews

I actually started off looking over this publication. It is written in easy terms instead of difficult to understand. You are going to like the way the writer wrote this ebook.

-- **Anabel Nienow II**

An extremely wonderful pdf with perfect and lucid information. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and I recommended this publication to understand.

-- **Clinton Johns DDS**

A top quality pdf and also the font employed was fascinating to learn. I have got read and I am also certain that I am going to plan to read once again yet again later on. You may like the way the article writer composed this publication.
