Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

PRIMAL REVENGE (PAPERBACK)

Beaver Publications, Inc., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

Leonard Longchamp is a sociopath. It didn't matter to Leonard whether the people he brutalized were put out of commission for a while, or just killed. He just wanted what he wanted, when he wanted it. Like Narcissus of Greek mythology, Longchamp fell in love with his own reflection when staring into the pool before him. Only in this case the pool was not filled with water, but the blood of those he killed. The penalty phase of Leonard Longchamp's jury trial had resulted in a hung verdict over the death sentence or life in prison with a chance of parole. The beautiful Dr. Laura Birney, a psychiatrist at Pittsburg State Prison, was hired by the district attorney, Lloyd France, to help in deciding if he should retry the case. Whether she would be successful in her task was yet to be proven. Who would ultimately win out? The beautiful, gutsy, and supremely intelligent Doctor Birney? Or the conniving Leonard, while he continued satisfying his sociopathic tendencies even as the doctor psychoanalyzed him?.
