To be able to present a high-quality business report, I did detailed research on the company and its business environment. The information was gathered from: the company s Annual Report 2008/2009, the official website of Toyota and internal know-how of the company. The sources and the additional professional literature are quoted in the references at the end of the document.2.3Executive SummaryThe present report deals with the analyses of the internal and external business environment, for this purpose the PESTLE analysis and the Porter s five forces model were used. It also gives a short overview of the company and the type of business it is involved in. The second part of the report is an in depth analysis of how global political changes affect Toyota s policies and decision-making. There is also an evaluation of the effectiveness of the company s response and the demonstration of areas for improvement. 24 pp. Englisch.
