Dalkey Archive Press, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. The Presentable Art of Reading Absence takes as impulse the act of meditation, in which the energetic relationship between a meditative body and its universe is not only the envisioning of absence by presence but also vision itself: Here begins the revelation of a kiosk. With occult emotionality and analytic brilliance, Jay Wright has written the user s guide to evanescence: I have become attuned / to the disappearance of all things / and of my self.
