I quickly swapped my Ms Innocent, the world is tough but basically okay hat for the one of Breast Cancer Patient , madly trying to process everything that the doctor was saying. An inauspicious encounter in a doctor s surgery during a routine follow-up for IVF initiates a descent into a labyrinth of questioning and uncertainty. From those first words ushered out of the doctors mouth starts a year where the mind is consumed by medical research, medical terms, hospital visits, medication and explanations. Filled with reflections on life, motherhood, friendship, and the future, A Year of Medical Thinking chronicles one woman s ordinary life as it is catapulted into a quest for meaning and purpose.
