CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 372 pages. Dimensions: 10.0in. x 8.0in. x 0.8in. THE GOOD SCREAM is a step-by-step guide to healing the Self by eliciting and validating healthy expression of need for love, pain, fear, anger and joy (love). Initial injury to the child's wholeness is partly through repression or distortion of these feelings. Repair of emotional communication offers the most direct restoration of wholeness. THE GOOD SCREAM is the only book to help a psychiatrist, clinical psychologist, social worker, or student in these disciplines in accessing the earliest emotions and the residues of harmful parenting. The gateway to the methods of THE GOOD SCREAM is often cognitive, behavioral, or suggestive (light hypnosis), as fully explained. Psychoanalysis is respected, for which note the commendation of a Clinical Assistant Professor of Psychiatry at Yale School of Medicine on the back cover. A great potential for psychotherapy was largely dissipated as well as a means of understanding core features of human nature. THE GOOD SCREAM guides a professional in undertaking these...
