Maybe you need a new car, and the money is not there. You've tried everything--overtime, help wanted ads, working odd jobs around town. But, no matter what you try, it's not working. You're mad, and you're thinking nothing's working. It's frustrating, isn't it? If you're like me, you've probably read about all these other guys who made it big selling online, and thought what a bunch of BS. Nobody makes that kind of money selling online. Does any of this sound familiar? Here's what I want you to do. Forget all of those negative thoughts for a few minutes. Instead, think about what you want to achieve. I want you to take five minutes, and think about you being successful. This item ships from La Vergne, TN. Paperback.
