Join the superhero world of Lang Lang and come on a piano adventure with The Lang Lang Piano Method Level 3. Level 3 continues the progression by:*extending the note range to an octave*exploring different keys*including more hands-together in pieces.The five progressive books in The Lang Lang Piano Method provide a unique and imaginative way for complete beginners to learn the piano with the world s most successful concert pianist, Lang Lang. There s plenty to play all around the keyboard right from the start. Fun, imaginative pieces develop the left and right hands equally and supporting audio features exclusive performances by Lang Lang of the concert pieces.
