## The Pantry CEO: Discovering Untapped Wisdom in Any Organizations (Paperback)

By Dr Yanyong Thammatucharee

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Similar to other business books that offer fresh new ideas, this book is intended to encourage ordinary workers to think like a CEO-to make decisions simply from business instincts, to listen to other staff, to uncover and understand the importance of true facts. The Pantry (or lunchroom) is full of information that cannot be learned from any official reporting system. Critical decisions should be based on information learned there, where employees comfortably and easily share views, ideas and struggles with each other, rather than simply based on reports generated simply from numbers or by those out of touch with the daily work of the business. The book offers readers with business management ideas and concepts that can be applied at the work place. It links forward-thinking ideas to business situation and crisis management happening at the company where a few people have business interaction and some personal conflicts related to the tension and pressure in the workplace. As business issues are difficult for readers to enjoy, it is important to offer some new ideas for the fast-moving and dynamic modern era....
