What am I supposed to say when I move into my dorm? Hi. I m, Rowen. I m a Liberal Arts major. I like music and hiking, and by the way I m also a witch and really good with weird. Sparring with the fates. Rowen Corbett and Hunter Morrissey are no strangers to powerful magic. Their senior year was a baptism by fire, caught in the paranormal crosshairs of a two hundred year old battle for justice and retribution. Now, weeks before college life is set to begin, the two are desperate to put to rest past events too hard to fathom and too painful to forget.so they head to the mountains for an innocent weekend of fun. .But destiny isn t finished with them. Beckoning visions haunt Rowen s dreams until unseen forces hurl her back in time to a colonial world of betrayal, revolutionary intrigue, and death. She finds herself face to face with people and events with a dark history not written in any textbook. The power that summons her has unfinished business to complete and Rowen is the key. If she refuses, she faces far reaching consequences in the future where Hunter waits for her return. With only her wits and a basic knowledge of the past, she must survive long enough to earn her way home or die before she was ever born.
