NUMEROLOGY: MAKING IT WORK FOR YOU

Synergebooks, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is an easy-to-use-for-beginners, fun guide into the world of numerology, yet it is also an essential self-development guide to understanding how to make numerology work. So many books teach about single numbers and principles but so few go deep enough into how to put those numbers and principles together. For the student of numerology it is an often neglected subject. To the uninitiated, on the other hand, there is a snapshot view that can be used immediately, using the ground breaking and most complete coverage of the combination of Birth Days and Life Paths ever attempted. Pick any date of birth and you will find it here. This book gives you an insight into every person whose birthday you know. Some people might think of this as having an unfair advantage. They could be right. The book also includes descriptions of karmic debt numbers, the common master numbers 11 and 22 and the rare appearances of the master numbers 33, 44 and 55.
