*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

No matter the idea, concept, or thing I ask that you form an opinion. Share it, but understand that others will differ from your thoughts and ideas and that disagreement is one of life's little treasures. Anson Thompson, a self-proclaimed Ninja that lives outside the box, shares his daily musings that may cause one to evaluate their stance and perhaps step it up a notch. Anson gives the reader a glimpse into his daily life and using his wit and his experiences, gives the reader a different way to look at situations. Whether he discusses life in general or customer service, Anson pushes you to reevaluate how you view the world. He includes thoughts on child rearing, dealing with elderly parents and grandparents, but also covers a myriad of ideas on daily life and business. He will cause you to look at your own life; perhaps finding the need for change or realizing how amazing your life truly is. Are you looking for a book that makes you think? Many books accomplish that feat, but this book is different. Some of the ideas will seem so basic and fundamental, you will think to yourself, why didn't I think of that? while others will allow you to see how far out of the box Anson truly is!.
