SPIRITUAL STEPPING STONES (PAPERBACK)

The inspirational words in Spiritual Stepping Stones show how we are much more than most think, and this helps guide the reader, step by step, towards becoming more spiritual. This leads to many practical benefits such as increased happiness and a sense of peace. It is one of those rare books with the intense positive power to change the reader s life for the better. It is a personal spiritual guide to spiritual awakening and enlightenment, and it pulls the reader into a profound and deep life-altering journey. Spiritual Stepping Stones is an inspirational book with spiritual teachings and spiritual words of wisdom from an old soul, and the writings and spiritual messages from the author speak directly to the reader and show how to grow spiritually. The author has been transformed by his spiritual experiences, which include a complete near death like experience with a journey through the tunnel to the light, induced simply through meditation at a very young age, and then later in life also a radical awakening and direct experience of oneness with the One. In this book the author now openly shares the spiritual truths he has learned from his experiences. The unique, simple and clear writings explain how the reader can increase their own spirituality, happiness and quality of life. Read this book and join the author on this spiritual journey, towards eternal life, unconditional love, freedom, spiritual connectedness, and a full balanced life where you create, grow, and experience from a spiritual perspective. The author sincerely wishes all the spiritual stepping-stones this book lays out, will help bring the reader love, happiness, serenity, wisdom, and freedom through a personal inner spiritual awakening and transformation.
