Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There are frustrated couples everywhere looking for solutions to the struggles they re facing in getting their relationship on good footing. Too often, it just slips away. The real problem is the inability to systematically build the relationship. Most relationships are rushed. Dr. Bruce is able to show you just how to move from a simple acquaintance to a lasting love. Each stage has an estimated length of time to establish a good knowledge of each other and to develop the qualities to build a great love. At the end of each chapter he challenges you to qualify your growth by specific measurements. If you don t pass, then you have to stay on that level by reapplying the principles taught. If you pass, then go to the next level and develop higher levels of trust, happiness, and consistency. Ultimately, each stage will take you to the place of being willing and able to make a life of commitment to each other by way of your demonstrated behavior and interactions. This book is a tool to fulfill your desires for the kind of love you have always wanted.
