

Mission Countdown 2017: Executive Intelligence Review; Volume 44, Issue 14 (Paperback)

By Lyndon H Larouche Jr

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.April 3-The LaRouche movement celebrated the 100th birthday of German-American space pioneer Krafft Ehrlicke last week. During the week-long tribute to his life and work, we made available a number of his writings and videos, and our presentations gave insight into Ehrlicke s visionary ideas of mankind s unlimited potential for growth and development throughout the Universe. The celebration included a remarkable conference in Munich, Germany, under the joint sponsorship of the Fusion Energy Forum and the Schiller Institute, titled Realizing Krafft Ehrlicke s Vision for the Future of Mankind. This issue of EIR prints some of the conference presentations, thereby continuing last week s theme in an issue dedicated to Ehrlicke and titled What is Science? On March 25, during the week of celebration, President Trump gave a speech- one that most Americans missed-as one of his Saturday morning addresses, that should have dominated the media airwaves. This five-minute address followed his signing of the NASA Transition Authorization Act by just a few days. Apparently none of the major media reported on this very important speech. Instead, they were...
