Filesize: 1.2 MB

Reviews

This publication is wonderful. It can be rally fascinating through reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

THIS MOMENT: HOW TO LIVE FULLY AND FREELY IN THE PRESENT MOMENT (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Step-by-Step Practice Guide for Living More Fully and Freely in the Present Moment with Mindfulness and Loving-Kindness: We all want the same thing. We all want to realize freedom, we all want to discover true peace and happiness by coming to a place where we can live fully and freely in this moment as it is. That's all any of us ever want out of our lives, no matter what our efforts look like on the outside. But most of us lack clarity, and this lack of clarity misguides us to pursuits such as the collection of wealth, fame, and power in an attempt to fill the void we feel in our hearts. But none of these things will ever fill us up, and until we realize this we'll never become truly fulfilled and at peace. In each moment, we have an appointment with the present moment. And when we miss that appointment, we miss our appointment with life. This, more than anything, is the reason for our pain, suffering, and discontent. But mindfulness by itself isn't enough. There is so much that can get in the way of our practice, so many challenges that we're faced with, and other important qualities that need to be cultivated. You need a complete plan if you wish to live more fully and freely in the present moment. And that's why I wrote This Moment. This Moment is for: - Beginners just starting with the practice of mindfulness meditation and whom who don't know exactly where to start. Those who have practiced for some time but are experiencing challenges in their life and practice. -...
