*This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).*

Bloomsbury Trade Okt 2013, 2013. Taschenbuch. Condition: Neu. Neuware - Every great story has a great beginning - and this is where Harry Potter's extraordinary, magical adventure starts. From the moment Harry Potter - the boy who lived - is deposited on the doorstep of number four, Privet Drive, Little Whinging, with the words 'Good luck, Harry,' and a swish of Albus Dumbledore's cloak, an irresistible storytelling magic pulls readers into an unforgettable adventure. Harry Potter is a milestone in every child's reading life and this gorgeous, collectable boxed set is the perfect introduction for new readers, Wizards and Muggles alike. To clarify the idea behind this boxset is that it is not only a great value, and lovely addition to the editions we have already but the books are divided up by age. So the first 3 books read for a slightly younger age group than the later books and so this is a nice introduction to the series for any new young reader to the world of Harry Potter. The books will be in a cloth bound box, with cloth effect paperback books inside, so a very nice gift! The first three Harry Potter adventures in one brilliant gift set - this is the perfect introduction for new readers; the perfect gift for fans and collectors. Englisch.
