Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is intended for anybody who is interested to know future. Love and marriage are two very important aspects of our life, and this book throws light on techniques of prediction regarding these aspects. My aim to write this book was, you should be able to predict about love and marriage by yourself after reading this single, small book. This book is based on Vedic Astrology principles. But, the unique feature of the book is that you need not know ABC of Vedic Astrology before reading this book. Neither you have to remember very complex laws, nor become you perplexed by going through contradictory principles. I have chosen few applicable theories only those are easy to remember and apply. Another interesting feature of this book is that many Celebrity horoscopes have been analyzed through this book. Beyonce Knowles, Lady Gaga, Steven Spielberg, Madonna, Sigmund Freud, Bertrand Russel, Brad Pitt, Angelina Jolie, Oprah Winfrey, Mother Teresa to name a few of them. The book is compact and filled with useful information. It will help you immensely to unfold the page of destiny of your love life.
