

Pulmonary Consumption, Bronchitis, Asthma, Chronic Cough, and Various Diseases of the Lungs, Air-Passages, Throat, and Larynx, Successfully Treated by Medicated Inhalations (Classic Reprint) (Paperback)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

(Lorenz Vandervort)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Pulmonary Consumption, Bronchitis, Asthma, Chronic Cough, and Various Diseases of the Lungs, Air-Passages, Throat, and Larynx, Successfully Treated by Medicated Inhalations There are some physicians, not fully understanding the modus operandi of inhalation, who find a brief mode of avoiding inquiry or explanation, by condemning it in toto. But we are gratified in knowing that many others in this city, and throughout the Union, have and are now giving the subject a candid review, and as we are sensible that it invites close examination, and challenges the strictest scrutiny, so we expect that medical gentlemen will, in accordance with experimental knowledge and professional judgment, receive this great agent as a most efficient auxiliary: nay, a sine qua non in the treatment of the diseases referred to. The fallacy of any one remedy meeting the numberless phases of disordered action in pulmonary affections, is too absurd to be entertained for a moment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
