

A System of Physical Chemistry, Vol. 1 of 3 (Classic Reprint) (Paperback)

By William C MCC Lewis

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A System of Physical Chemistry, Vol. 1 of 3 As regards the thermodynamical treatment, it will be seen that the concept of maximum work and free energy has been employed practically to the exclusion of others. I have found by experience that this is more easily grasped than the idea of entropy, although I suppose that ultimately this must be something of a mental delusion.
