Poisoned Pen Press, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. The dog days of summer have arrived, and Tai Randolph is feeling the heat. Running her uncle s gun shop is more demanding than she imagined. Her best friend from childhood, Rico, is competing for a national slam poetry title worth a bundle. And Atlanta is overrun with fame-hungry performance poets clogging all the good bars. Tai is also handling her new relationship with corporate security agent Trey Seaver. SWAT-trained and rule-obsessed, his brain rewired by a devastating car crash, Trey is geared for statistics and flow charts, not romance. And while Tai finds him fascinating, dating a human lie detector who can kill with his bare hands is a precarious endeavor. Then one of Rico s fellow poets is murdered.and Rico becomes the prime suspect. Tai, springing to his defense with every trick in her book - a little lying here, some snooping there - quickly learns all the poets harbor secrets. And someone has an agenda that s either positively heroic or downright deadly.
