Brand New Book ***** Print on Demand *****.Escaping one madman has she run right into the arms of another? In Victorian England a contagion runs rampant, unbeknown to its citizens. Those afflicted are either killed or confined to a desolate pile of stones on the Yorkshire Moors called Breckenhill Keep. The denizens of that Keep loath the monsters they have become. None more so than Jasper Horton, a refined gentleman in all ways but one: He is a werewolf. When Lady Fidelia Montgomery arrives at the Keep, seeking to escape the clutches of the madman who has killed her husband, she unwittingly unleashes the wildness Jasper has gone to such lengths to contain. His love for her puts innocent lives at risk, including Dee s own, and threatens to turn the pretty widow into one of the monsters he abhors. Perfect for readers who enjoy love stories with substance and a classical supernatural touch.
