

## My Turn: Hillary Clinton Targets the Presidency (Paperback)

---

By Doug Henwood

Seven Stories Press, U.S., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Hillary Clinton is running for the presidency with a message of hope and change. But, as Doug Henwood makes clear in this concise, devastating indictment, little trust can be placed in her campaign promises. Rigorously reviewing her record, Henwood shows how Clinton's positions on key issues have always blown with the breeze of expediency, though generally around an axis of moralism and hawkishness. Without a meaningful program other than a broad fealty to the status quo, Henwood suggests, the case for Hillary boils down to this: she has experience, she's a woman, and it's her turn.
