Vijay Laxman Kelkar has been one of the most creative, contemplative and versatile public policy makers of India. Whether it has been articulating a vision for the role of markets and government, or stressing for the importance of a sound public sector balance sheet, or arguing for tax reform and fiscal federalism, or making simple and sound policies through consensus, his contributions are non-parallel. The essays in this festschrift are by some of the leading economists, bankers and policy planners of India. While saluting his visionary role in the government, they also provide an insight into some current and critical macroeconomic and finance issues. The writings cover a broad set of topics, among them fiscal, monetary and external sector policies, infrastructure, financial inclusion and education. This volume commemorates the conferring of the Skoch Challenger Lifetime Achievement Award 2010 on Dr. Kelkar for his unique contributions to the Indian economy in general and his key role in financial sector reforms process in particular. This timely book will appeal to policy makers, political scientists, economists and other social scientists conducting research and teaching courses in political economy, fiscal and monetary policy, development studies, public policy and governance. ; - With contributions by some of the leading Indian economists, bankers, and policy planners, this collection offers deep insights into the current critical macroeconomic and financial issues affecting that nation. Commemorating Dr. Vijay Laxman Kelkar's unique contributions to the Indian economy and his key role in the financial sector reforms process in particular, this account covers a broad set of topics, such as fiscal, monetary, and external sector policies; infrastructure; financial inclusion; and education.
