Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

ASSESSMENT PROCEDURES FOR COUNSELORS AND HELPING PROFESSIONALS (7TH EDITION)

Pearson, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A proven classic in the field and the leading text in assessment for counselors, the newest edition of *Assessment Procedures for Counselors and Helping Professionals* has been completely updated and expanded to offer more thorough coverage of assessment methods. Among the new and expanded material is coverage of psychometric and statistical concepts; new and revised tests, inventories, and scales; relevant ethical and legal issues; contemporary measurement theories; and important multicultural issues. In addition, the 17 chapters of this clear and user-friendly book provide guidance on how and when to use tests in different settings with different populations and information on basic procedures like test selection, administration, and reporting. Additional case studies have also been added throughout the text to help readers understand how to work with assessments and assessment results in real world situations.
