Homemade Repellents: (FREE Bonus Included) 10 Organic Non-Toxic Mosquito and Ant Repellents This book is your guide to making some really useful mosquito and ant repellents that you can make at home. The best products out there are those that are made at home with natural and organic stuff and this book is all about that. If you have been using different sprays and repellents to keep different insects, ants and mosquitoes away from you and your family, then you should know that they are not healthy. They can cause damage to your health and to the environment. They are to be replaced with some better options. Conventionally manufactured mosquito repellents can work for you and give you instant results but in the long run, they can be affecting your health in a harmful way. Such synthetic products can also cause allergies and irritation on your skin. People with sensitive skins are prone to getting allergies from these chemical...
