Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Title: - Selling the Circus Author: - Sam Hamilton Over more than thirty years working hand in hand with the media on four continents and employing hundreds of publicists along the way, the author sets out to supplement traditional communications theory with experiences and lessons for the ultimate ten percent - the part that transforms everyday messages into headline grabbing publicity. It is a must-read for everyone contemplating media or entertainment careers and should be compulsory for those already in senior management positions. From an academic perspective, explanations and examples provide ample opportunity...
