Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Library of Congress has established policies and procedures for managing its information technology (IT) resources, but significant weaknesses across several areas have hindered their effectiveness: Strategic planning: The Library does not have an IT strategic plan that is aligned with the overall agency strategic plan and establishes goals, measures, and strategies. This leaves the Library without a clear direction for its use of IT.
