THE GOVERNMENT WE DESERVE: RESPONSIVE DEMOCRACY AND CHANGING EXPECTATIONS

University Press of America, United States, 1998. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Before buying into anyone s vision of where public policy should go, we must think seriously about where we are now. This includes our economic and social structure, our government as a prominent feature of that landscape, and the way we currently make political decisions. The authors views of where we are now lead them to propose a rethinking of our commitments as a society, our public responsibilities, and our processes for making policy choices--a rethinking that can help make government more responsive to changing expectations and changing needs.
