Caution, this Pocket Edition Book BLACK NATIONHOOD perhaps, contains information that may stimulate independent thinking. We must endeavor to embark upon this life altering voyage of The Resurgence of African Awareness and African Consciousness and culture. Some of you are many moons into this journey. But, for some, this journey will be challenging, as taking a final exam, while standing on one leg and a barking dog in the background. For others, it will be like trying to walk on a broken leg without assistance of a pair of crutches. In any event, a successful completion is the only option. For those who are ready, willing to grow, heal, change and build perhaps this Book will challenge your minds to research and learn about yourselves and the resurgence of African Awareness and Culture. Black Culture has become this degenerative society where love, peace, joy the pursuit of happiness is foreign and looks more like dysfunction of a low-life animalistic society with horrible behaviors. Many of us were never taught about real African history or culture. This would have enhanced your self-awareness, personal and spiritual growth. Learning who you are and where you originated is imperative for clarity, vitality and freedom. This Book will challenge you to transform your mind. No more upside down, inside out and backwards thinking of an enslaved mind. It s time to be Free. I challenge you to take this Journey. Much Love to all of you!.
