Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This experimental, short collection explores the diversity of human sexuality through the voices of many different characters who describe their fantasies, desires, experiences, and wishes. The in-depth, first person accounts read like honest dating profiles. You will hear from a millionaire, an executive, a new age healer, a player, a bisexual woman, a gay man, a divorcee, a dreamer, and several broken-hearted lovers in search of ultimate pleasure and life changing sexual experiences. The characters in the Looking For series are intense, honest, and brave. One of the themes of this first collection is the sexual allure of money and its ability to reduce people to objects of pleasure. Some of the characters in this collection are rich, while others are on welfare or have average incomes. Wealthier characters, both male and female, may behave in less likeable ways due to egocentrism and lack of empathy. However, characters without money may be lost in dreams and not showing up for their life in other ways and only fantasizing that love might make everything better. Though fiction, these characters resemble realistic people in the dating pool who can be found online and in the world.
