The Professor

By Charlotte Brontë

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Professor, Charlotte Brontë, HarperCollins is proud to present its incredible range of best-loved, essential classics. 'The Professor' is Charlotte Brontë's first novel, reflecting her own experience of life in Brussels and published after her untimely death. Viewed as a precursor to the narrative style and characterisation she perfected in her later works, such as 'Jane Eyre', the novel is Brontë's portrayal of a love story from a male perspective. Writing from the point of view of orphaned young teacher, William Crimsworth - the sole male protagonist among Brontë's works - the author allows herself a freedom of action in love and will that reveals her character's loves, desires and ambitions as he forges a new life on his own terms in Brussels. William finds himself caught between the desire he feels for Zoraide Reuter, the beguiling head of the girls' school where he teaches, and the gentle love he feels for one of his pupils, Frances Henri. Exploring questions of love, identity, freedom and independence, 'The Professor' is an important work in the small opus that is Charlotte Brontë's significant contribution to English literature.

Reviews

An exceptional ebook along with the font applied was interesting to read through. it was actually writtern really completely and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Mr. Hector Cole Jr.

This written pdf is wonderful. It can be writter in easy phrases and not difficult to understand. Your lifestyle span will likely be enhance once you full looking over this ebook.

-- Juanita Reynolds
