Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 222 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.UPDATE: SECOND EDITION - WITH ADDED CONTENT!! Few would argue that the Nazi Germany Regime was brutal and inhumane. The atrocities that were committed by the Nazi s will remain a shameful chapter in history for possibly centuries to come. Beyond that though are the humans behind the swastika. This book takes a look at those men. In Poland, the Germans fought for ground, taking a beating on all sides. At times, they were forced back but eventually prevailed. While we do not celebrate their win, the story behind it is a tactical lesson. A lesson that even modern military leaders can take note of. This story is not just about the Germans though but the valor of the Polish men who fought back against them as well. There is the story of a German soldier that earned one of the highest medals for combat action after fighting for over 50 days of close combat until he was injured and captured by the Soviets. Read about his war actions and the other honors that he earned. Find out if he survived the war or if he was lost forever in Soviet hands. Then there is the chilling story of Stalingrad and the dreaded Kessel. This was not just a battle of a city but of a larger scale. The horrors that awaited the solders there were some of the worst in the war outside of the Germans own concentration camps. Read about what desperate measures, desperate men took in order to survive. This book takes a look at the other side of the lines without judgement or endorsement. If you ever wondered what happened on...
