By Harry Berger Jr.

Stanford University Press. Paperback. Condition: New. 288 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. The Absence of Grace is a study of male fantasy, representation anxiety, and narratorial authority in two sixteenth-century books, Baldassare Castiglione's *Il libro del Cortegiano* (1528) and Giovanni Della Casa's *Galateo* (1558). The interpretive method is a form of close reading the author describes as reconstructed old New Criticism, that is, close reading conditioned by an interest in and analysis of the historical changes reflected in the text. The book focuses on the way the Courtier and Galateo cope with and represent the interaction between changes of elite culture and the changing construction of masculine identity in early modern Europe. More specifically, it connects questions of male fantasy and masculine identity to questions about the authority and reliability of narrators, and shows how these questions surface in narratorial attitudes toward socioeconomic rank or class, political power, and gender. The book is in three parts. Part One examines a distinction and correlation the Courtier establishes between two key terms, (1) sprezzatura, defined as a behavioral skill intended to simulate the attributes of (2) grazia, understood as the grace and privileges of noble birth. Because sprezzatura is negatively conceptualized...
